Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Discussion was conducted on the advisory action dated 9/12/07. Applicant explained the amendment of claims 21 and 22 in the amendment after final dated 8/20/07. These claims were objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims in the final office action dated 06/20/07. A supplemental advisory action would be sent to applicant in order to clarify the status of claims 21 and 22 .
